

**A job of choice after law school  
– the video series:**

# **Law firm interviews on YouTube**

**I am delighted to advise you that 'After Law School – the video series' is now available on YouTube.**

The videos are based on the e-book A job of choice after law school which was reviewed by law students around Australia.

**There are seven in-depth videos on the channel. They are:**

- We value innovation. What does innovation mean to you?
- Tell us something about yourself that we wouldn't learn from your resume.
- Assuming we offered you a job, how would you prioritise your working day?
- Do you have a philosophy about work?
- If you were forced to think of a single reason for hiring you, what would it be?
- What if your instructions conflicted with your personal sense of justice?
- Do you have a methodology to resolve conflict in the workplace?

**You can find these videos by using the link below:**
